

Monmouth County  
SPCA

Board Of Health

In conjunction with the Monmouth County Board of Health, the Monmouth County SPCA will be offering a **FREE** rabies clinic for its residents.

In an effort to maintain social distancing and protect our staff and clients, we will be using curbside service methods for appointments.

We hope to help those who have not been able to visit their regular veterinarian office due to COVID-19 closures so that they may complete the proper licensing procedure for their pets.

Call the Monmouth County SPCA's Vogel Veterinary Care Center today to make an appointment for your pet(s) at **732-542-3125**

*\*If this is not your pet's first rabies shot, you are required to submit proof of vaccine history prior to your appointment. Once proof is received (if applicable) the pet will be eligible for the 3-year rabies vaccine. Contact us for details!*

# FREE RABIES CLINIC
