## Open Items

At the request of the NJSTF, the committee discussed the Vegetation Management Response Act (S2505/A2558), which is scheduled to go to a vote in the NJ State Senate later this week. The committee was unanimous in their support for a letter to Sen. Declan O'Scanlon expressing our opposition to the legislation. A draft letter circulated to the committee prior to the meeting was approved and will be sent to Sen. O'Scanlon's office by the secretary.

## Community Garden

1. The Master Gardeners of Monmouth County have requested that the Marlboro Community Garden participate in a program to open the garden to visitors on the mornings of July 13 and 14. The committee unanimously approved this request, and Juanita Lamaute will forward this information to the MGMC organization.
2. A pergola has been proposed for the front cut-out of the MCG. Rohan Patel is working on plans that will be presented to the committee in a subsequent meeting. If approved, he will use the project as part of his requirements to become an Eagle Scout.
