**Regarding: AT&T Wickatunk Monopine Cell Tower – NJDEP Freshwater Wetlands
Transition Area Averaging Plan Waiver
316 Tennent Road (Block 172, Lot 41)
Marlboro Township (Morganville), Monmouth County, New Jersey**

To Whom it May Concern:

This letter is to provide you with legal notification that an application will be submitted by AT&T to the New Jersey Department of Environmental Protection (NJDEP), Land Use Regulation Program for a Freshwater Wetlands Transition Area Averaging Plan Waiver under the Freshwater Wetlands Protection Act (N.J.A.C. 7:7A) for the above referenced project. The regulated activities for which AT&T requests NJDEP approval is associated with the construction of a monopine cell tower structure to be located within an existing parking/storage area of an office park which is partially located within a NJDEP regulated freshwater wetland transition area.

The permit will authorize regulated activities such as construction, cutting or clearing of trees and/or other vegetation within the freshwater wetland transition area, as long as equal portion of additional comparable transition area is provided along the same wetland complex.

The rules governing the above referenced permit is found in the NJDEP's Freshwater Wetlands Protection Act, N.J.A.C. 7:7A which can be viewed or downloaded from the NJDEP Land Use Regulation Program website at www.state.nj.us/dep/landuse.

The NJDEP welcomes any comments you may have on the application. If you wish to comment on the application, comments should be submitted to the NJDEP in *writing* within 15 days after you receive this letter. However, written comments will continue to be accepted until the NJDEP makes a decision on the application. Comments cannot be accepted by telephone.

Please submit any comments you may have *in writing, along with a copy of this letter*, to:
